

CROSS ACTIVITY // WEEK 1

LOLLIPOP CROSSES

What you will need...

- 2 coloured lollipop sticks
- String
- Cellotape
- Scissors
- Pens and pencils
- Glue
- Stickers/decorations
- Bible verse

What you should do...

1. Stick 2 lollipop sticks together or tie together with some string
2. Cut a piece of string and attach to form a hook for hanging the cross
3. Write your favourite verse about the Good News of Jesus Christ on your cross or decorate with hearts to represent God's love
4. Hang your cross in your front window so that those passing, and those in your home, are reminding of the exciting news, the greatest story ever told!

John 10 verse 10 is a verse you could use on your cross...

“I have come that they might have life, and have it to the full.”

After putting your cross in your window, pray that God will use to show people God's love for them and their need of a Saviour.

There is only One Saviour, and His name is Jesus!
